

Software

This section will contain documentation about software that is offered with the [Wattmons](#). It will include further information on:

- The firmware that is flashed to the embedded memory of the [Wattmons](#)
- The WattmonOS or Operating System files that are stored on the SD Card
- And some other notes on the cloud portal services that are available

Coming soon!

We're working on it now, check back soon, as the information you need might be here then!
