

# Software

This section will contain documentation about software that is offered with the [Wattmons](#). It will include further information on:

- The [WattmonOS](#) or Operating System files that are stored on the microSD Card.
- The firmware that is flashed to the embedded memory of the Wattmon data loggers.
- And some other notes on the cloud portal services that are available.

## Coming soon!

We're working on it now, check back soon, as the information you need might be here then!
